(with a 850 MHz/1900 MHz dual-band GSM wireless phone)

Please review the coverage map, which shows the scope of your calling area. Map depicts an approximation of outdoor coverage. Map may include areas served by unaffiliated carriers and may depict their licensed area rather than an approximation of their coverage. Actual coverage area may differ substantially from area shown on map, as coverage may be affected by terrain, weather, foliage, buildings and other construction, signal strength, customer equipment and other factors. Cingular does not guarantee coverage or network availability. Future coverage, if depicted above, is based on current planning assumptions but is subject to change and may not be relied upon.
